

Men's Winter League 2020-21

Competition Format and Rules

1. Format

- 1.1 Providing we have sufficient numbers, the Competition will consist of 10 teams, playing 9 holes of stableford points each week. The first nine holes of the course played will count and the best 7 cards in each team will be aggregated to obtain the Team Score.
- 1.2 The winning team each week will be awarded 10 points: second team 9 points down to 10th placed team 1 point. Where two teams have the same aggregate score, the team with the better 8th card will receive the higher point allocation. Where these are tied the 9th card will be used and so on.
- 1.3 The Competition will commence on Saturday 31st October and finish on 4th March. There will be no Competition during the period 26th December – 2nd January, meaning there will be a maximum number of 16 weeks.
- 1.4 Assuming we are able to have one, the Prize Giving Night will be on Friday 5th March. At the end of the Competition there will be prizes for the team with the total number of points over the weeks played. In the event of a tie the team with most points awarded in the final week will be the winner.

In the event of there not being play on certain weeks of the Competition; this number will be reduced pro-rata to the number of weeks over which the competition was played. There will also be a prize for the best player in each team with scores calculated on the same basis. Where scores are tied, the highest discarded scores will be used. A player may only win one individual prize.

2. Rules

- 2.1 Players should use the Yellow Tee Markers for their Winter League Card. Handicaps are to be based on the end of season handicap at 30th October rounded to the nearest whole number (.5 is rounded up) and will be reduced by 1 stroke for each point over 20 in any week. Any handicap introduced as a result of the World Handicap System should not be used in this competition.

- 2.2 The Winter League week will commence on a Saturday 31st October and cards may be taken out from the Professional's Shop in advance of play on any day up to and including Thursday but only one card may be taken out each week. To avoid any confusion a separate card should be taken out for the Winter League, signed by the player on completion of the round and put in the scorebox before 5pm on the Thursday.
- 2.3 Handicap adjustments made in the Winter League will only apply to the Winter League. Any handicap reductions made outside of the Winter League for example Pro-Sweep, Society outings, Alpines will NOT be applied.

- 2.5 Provided the course is open for play on both Saturday and Sunday, the competition results for that week will stand, regardless of the number of cards returned. If the course is closed on either or both days, the competition for that week will be declared void. A temporary suspension of play due to adverse weather or any other reason, will not be regarded as closure, provided the course is re-opened to competitors on the same day.
- 2.6 In order to facilitate play during the winter months, the holes in play and the use of full or winter greens may be varied at any time according to conditions. Such changes will be at the discretion of the Course staff and will not invalidate the competition on that day.
- 2.7 Finally any disputes must be made, in writing, to the Match & Handicap Committee, within 7 days. The decision of the Committee shall be final.
